

New Wave Part # 5228

Description A Great All Purpose Cleaner New Wave is the newest and best cleaner/degreaser from Ardex. New Wave cleans as effectively as a powerful caustic cleaner without the caustic and at very high dilutions. New Wave is a relatively mild product with a great smelling perfume. The speed and ease of cleaning and degreasing with New Wave must be seen to be appreciated. New Wave is a very effective prewash for automatic car washes.

Key Features:

- Non- caustic
- User friendly, fast acting cleaner
- Super Concentrated, can be diluted up to ten to one for interior applications
- Dilute four to one for engine cleaning
- Great smelling

Precaution:

New Wave is an alkaline solution. Wear rubber gloves to prevent drying of the skin and possible irritation. Wear goggles.
Always refer to product label and Material Safety Data Sheet (MSDS) before using.
HMIS Rating "1".

Directions

New Wave can be sprayed on or wiped on.
Dilute up to 10 times for interior and up to 4 times for exterior.
Always check surface for color stability before using.
